SUIT X CHANGE

KEEPING YOU ON TIME, COMPLIANT, AND OUT OF PORT WITHOUT DELAY

SuitXChange: Swap your traditional immersion suit purchase and servicing model for a time-saving rental package

Imagine if...

Instead of waiting in port for your vessel's immersion suits to be serviced, you could instantly swap them for fully compliant, as-new suits? And that you could eliminate your capital investment and enjoy the certainty of a fixed annual rental cost? Moreover, what if you could forget your servicing headaches and leave all the arrangements to a dedicated, expert team?

Launching a revolutionary service model

Following the runaway popularity of our liferaft rental and exchange model, RaftXChange, we are thrilled to bring its sister offering, SuitXChange, to the commercial shipping and cruise sectors. If you are an existing RaftXChange customer, we can ultimately align your rental and servicing arrangements for even greater convenience.
