DAVIT LAUNCHED SELF-RIGHTING LIFERAFT

Easy to launch and embark

Designed to meet the requirements for your roll-on / roll-off passenger ship. Our liferaft will self-right in less than one minute, even in the case of upside-down inflation. A long-lasting and durable liferaft that offers easy embarkation for your passengers.

BENEFITS:

- ✓ Suitable for 25, 35 or 37 person options to suit your needs
- ✓ Can be dropped from a height of up to 36 metres, suitable for many different vessels
- ✓ Self-righting, even in the toughest of marine environments
- ✓ Fully enclosed double-skinned, high visibility canopy complete with retro-reflective tape for improved visibility
- ✓ Liferaft is lowered to the deck allowing passengers to easily access the liferaft
- ✓ Manufactured using corrosion and abrasion-resistant polyurethane coated fabric for longevity
- ✓ High volume water pockets to ensure maximum stability when inflating
- ✓ Fully insulated floor to ensure maximum thermal protection for your passengers and crew

> **Self-righting, even in tough marine conditions**

TRUSTED TO
PROTECT LIVES
