

Survitec Statement of Brexit Readiness - Update

12 April 2019

The UK and EU have agreed to delay the deadline for the UK's exit from the EU to 31 October 2019 provided the UK participates in upcoming European elections. Should the UK not participate in these elections then the UK would leave the EU without a deal on 01 June 2019.

Survitec had prepared and made necessary arrangements for a "no deal" Brexit on 29 March 2019 and subsequently, 12 April 2019. We therefore remain ready for a potential "no deal" Brexit at a future date.

We are confident all the necessary arrangements we need to make are in place. If you have any further questions about our Brexit preparations, please email: brexit@survitecgroup.com.
