JB14H CABINET

FIRE HOSE CABINET ↓

The JB14H allows for the storage of four 23 meter lengths of fire hose and branch pipe (Fitted with 2 x stainless steel hose pins). These GRP cabinets have high resistance and durability to both weather and salt water as well as a good performance against UV rays, making these a low maintenance storage solution.

Our range of cabinets can also be customised to your exact specifications allowing you to have a bespoke solution for your application.
