- 30 YEARS PROVEN TRACK RECORD
- IP56 RATED FOR EXCELLENT WEATHER PROTECTION
- ENGINEERED TO YOUR SPECIFICATION

Designed specifically for arduous environments.

JB83 CABINET

FIRE EXTINGUISHER CABINET ↓

The JB83 allows for the storage of 2 x 9-12 kg fire extinguishers, meeting the needs of most applications. These GRP cabinets have high resistance and durability to both weather and salt water as well as a good performance against UV rays, making these a low maintenance storage solution.

Our range of cabinets can also be customised to your exact specifications allowing you to have a bespoke solution for your application.
