## EU / UK Transitional Period

12 June 2020

The UK formally left the European Union (EU) on 31 January 2020 and entered a transitional period with the EU. The transitional period continues to the end of 2020 and allows the UK and EU time to negotiate a future relationship. During the transitional period, the UK continues to apply EU rules including those on trade, travel and businesses. The transitional period has no impact on the Survitec business.

If you have any questions about our preparations for the end of this transitional period, please email:
