To Whom It May Concern:

I can confirm the Company Crowcon Detection Instruments Ltd has made a submission to Lloyds Register for the following certificates:

TASS - RENEW/AMEND 4x MED Module B - MED 1500009/M5, MED 1500019/M3, MED 1600002/M3 & MED 1600001/M4 - Portable Oxygen Analysis & Gas Detection Equipment, Types - GAS/PRO/GAS-PRO TK, T4 - Survitec Gas-Pro, Survitec Gas-Pro TK & Survitec T4

At the present time the submission is undergoing a technical appraisal. Subject to the satisfactory completion of the appraisal, it is anticipated that the certificates will be issued.

Consequently, Lloyds Register are satisfied that renewal of the EC Type Examination Module B certificates will be issued, but in the interim due to some certificates will expire during the technical appraisal this letter will service as authorisation to extend these certificates.

The extension authorisation will expire on the issuing of the renewal of the above mentioned certificates by LR, or on the 21/09/2020 whichever sooner.

Once The above Certificates have been renewed, TASS will action the amendment of their Module E Certificate; MED 1850111-M3-05 free of charge.

Should you require further information please don't hesitate to contact the undersigned in the first instance.
