MAROPS ERGOFIT SOLAS LIFEJACKET

Designed for working in extreme environments

Built on a heritage of military lifejacket specialisation, the adapted 3D-moulded design allows for total manoeuvrability of the wearer. Compatible with a fall arrest harness, the MarOps Ergofit SOLAS allows a number of duties to be delivered, no matter where the location.

BENEFITS:

- ✓ SOLAS approved life jacket 290N twin chamber
- ✓ Compatible with fall arrest harness for working at height
- ✓ Contoured fit means it sits away from the back of the neck, making it comfortable for longer periods
- ✓ Patented built-in inflatable chin support to help protect your airway
- ✓ Best in class Ergo 3D bladder inside
- ✓ AIS and PLB compatible
- ✓ Fitted spray hood inside

“ Market-leading inflation chamber to turn you face up quickly, even when wearing heavy clothing and gear ”
