

# SEABREEZE CTV WORKSUIT

Offshore transfer constant wear suit

**Designed especially for challenging and demanding environments.** A robust and light weight suit for the ultimate comfort and freedom of movement. This Suit is ideal for use onboard merchant vessels and for transport to and from Wind Farms.

## BENEFITS:

- ✓ Built to withstand the rigors of your daily offshore commutes
- ✓ Ergonomically designed for all-day wear
- ✓ Keeps you dry in the harshest marine conditions
- ✓ Ensures optimal ventilation and reduces overheating
- ✓ Brightly colour material for increased safety in low-light conditions
- ✓ Reduces fatigue during long working hours
- ✓ Simple to clean and quick to dry
- ✓ Adjustable features for a personalised fit

**“ 1 hour SOLAS and ISO-suit for  
comfort and safety ”**

TRUSTED TO  
PROTECT LIVES
