REVERSIBLE LIFERAFT

Prioritise Safety At Sea

Our 50-person option is ideal for use with the Survitec slide-based Marine Evacuation Systems (MES). The 100-person option consists of two 50-person liferafts packed in the same container and connected for maximum capacity.

BENEFITS:

- ✓ Two super-imposed buoyancy chambers provide a high freeboard
- ✓ Available in 50 and 100-person options to suit your needs
- ✓ Self-erecting canopy, easily operated by a shuttle-like action provided by its own buoyancy
- ✓ Suspended floor in between two buoyancy chambers for increased passenger comfort
- ✓ Manufactured using corrosion and abrasion-resistant polyurethane-coated fabric for longevity
- ✓ Each liferaft is furnished with boarding facilities, external and internal lighting, lifelines, a drogue (sea anchor), a rescue line and quoit, as well as other necessary items of equipment
- ✓ Inflatable reversible boarding ramp for quick and easy access

"Self-erecting canopy protects from the elements"
